

Aspire is a registered collection point with North East First Credit Union. Helping women to save for an occasion, take control of their finances or put money aside for a rainy day – we are committed to supporting women to avoid loan sharks and debt

In August 2019 Aspire made a short film about our credit union service in partnership with Durham Savers, NE First, Switch Aid

# Credit Union

In October 2019 our Aspire women met with MP for Durham North Kevan Jones to discuss our services including the huge success of our credit union

Linda: Saving with the Credit Union at Aspire has helped me budget for Xmas pressures. I will be continuing to save next year.

Janet:  
They are fabulous!

Pat: Easy to use, friendly helpful and informative. A really great idea to keep savings safe and separate.

Angela & Dawn: It is a really good service and in a fab place, we love it!
